

Head to Toe a *kasen-no-renga* by Ally Isenhower, Ellie Roth & Jessica DeLavergne

Millikin University

May 6, 2018

**Head to Toe**

six inches  
of pure love  
Jimmy John's ai

my mouth  
loves the taste er

sinking my teeth  
into the sammy  
drooling jd

wet puddle  
surrounded by buys ai

the moonlight  
reflecting  
off their boneless wings er

the loud cheers at  
buffalo wild wings jd

tv static  
how my body feels  
when i'm high ai

the feeling from  
head to toe er

steady burning  
between  
my fingertips jd

head, shoulder,  
knees, and toes ai

my first day  
of kindergarten  
best day of my life er

eating glue  
playing with my friends jd

the bright moon  
illuminates  
the child's toy ai

he puts it  
in his mouth

er

too far back  
face turns blue  
he's choking

jd

gagging noises  
the dog looks worried

ai

a familiar scent  
bath and body works  
Japanese cherry blossom

er

my nose intoxicated  
i'm suffocating

jd

buried alive  
how  
did i get here?

ai

the truck  
honked its horn

er

scared to death  
i pooped  
my tight pink pants

jd

all my friends  
laughed at me

ai

"fake!" i yelled  
"that is what  
you all are"

er

jesus is real  
he died for our cynthia's

jd

beep bop boop  
a big mood  
for the night

ai

juulin'  
and boolin'

er

chillin out  
relaxin all cool  
shooting b-ball outside the school

jd

gun shots  
our ball is flat

ai

when the moon is lit  
you might get hit  
getcho ass inside er

lockin' doors  
closing windows jd

better hurry up  
they'll cut your knee  
with a machete ai

i found one  
behind the house er

beer cans scattered  
across the yard  
that party was actually crazy jd

you'd think we live  
in a frat house ai

a cherry blossom tree  
blossoms with ease  
how adorable! jd

the seeds fly off  
into the distance er
