Moonlight Through Parted Trees

moonlight
through parted trees
the grand ballroom

TF

swimming in darkness
fireflies glowing

NM

a splash
from the other side
of the boat

RMB

sets the hook
Grandpa smiling

SD

A million stars over the sky
catches the eye and a fish
Time to reel it in

ZD

All that action
deserves another cold one

BS

Dinner has been caught
Cooler full of drinks
Another night of memories

ZD

walking to the stand
a pair of glowing eyes

SD

oak leaves
the only ones still
hanging on

RMB

around the rope
of the swing

NM

vines have tangled
like children clinging
to their mother

TF

worried sick
a doe
calls her young

HS

Heaven glows
Accepting
The season

NM

The leaves blow around
like dreams of Fall

SD

Pumpkin spice everything
Black leggings and fur boots
Sighting of basic girls

BS

they talk of everything
and nothing

JY

their relationships
fleeting
like cherry blossoms

TF

who will try to
make up first?

RMB
