

Lake Sunshine: A Sequence
by Mason Bruce and friends, Millikin University
May 1, 2018

Lake Sunshine

trailer on the truck
backing down the ramp
boat, all gassed up

wind in my sails
sun in my face
spf 50 is a disgrace

out on the water
spending time with friends
never knowing when it will end

sippin on cold ones
koozie in hand
30 rack on ice

waves coming in
boat starting to rock
anchors away

tube tied up
enjoying the weather
hold on tight

sitting on the dock
boat out of commission
not a worry in the world

waiting for rescue
boat patrol in route
conservation cops stay away
