below the clouds
the wind
whispers in my ears

K.G.

deep breath as i
enter the house

E.C.

the tattered kite
with tangled strings
spirited laughing

N.K.

where I go
is where the wind blows

K.M.

Years pass
while I gaze
at the night sky

N.R.

my eyes dart back and forth...
a painting in my mind

K.K.

staring at the ceiling
tick-toc on the clock
bell rings

N.R.

Troll in my bells
munches from inside out

K.M.

firing the bullet
to make peace
fighting for territory

N.K.

feeling heat rise
what it's like to kill

E.C.

fire in her eyes
she grabs for
his neck

K.G.

acid sighing
cold shoulders

S.M.

staring at the moon
he remembers...
the first visit there

D.M.

nurses running
in and out of rooms

K.G.

break time—
she grabs a
smoke out back

E.C.

almond milk
fearful of my return

N.K.

sucked dry of
nectar a bee
gets away

K.M.

the sun sets slowly
ready to visit soon
