

Notes about authors (usually including key to links) & details about how the kasen was written goes here.

School of Nature

Haiku Class Spring  
© 2017

eyes closed  
calming wind  
trees breathing  
O.G

the sigh of the leaves  
floating on the pond  
S.M.

autumn winds  
the young lover  
walking into the end of time  
D.M.

near the water  
she picks up a rock  
K.G.

looming just above  
the willow branch  
a peach harvest moon  
E.C.

ink pen  
curving around the paper  
NK

blank page  
this is when  
her starts  
EC

beginning of high school  
new faces in the halls  
KG

with sweaty palms  
the freshman reaches into his  
back pack, the loaded gun  
DM

ghosts in the halls  
stories left behind  
SM

scenes of the past  
begging to stop  
blood dripping  
OG

trying to remember  
the only path she knows  
PD

midnight light  
eyes shine  
from the moon  
OG

a star-crossed lover  
waits in the wings  
SM

praying that the embrace  
will never end  
hospital bed  
DM

staring out  
looking for hope  
KG

popping her gum  
bubble the color  
of cherry blossoms  
EC

the grandfather clock  
15 minutes behind  
NK
